

5 Year curriculum plan KS3 2019-20

		Autumn term		Spring term		Summer term	
	Form Time year 7	Reading	Maths Puzzles	Reading	Vocabulary/cross words	Reading	Maths puzzles
Year 7	RE	Community	Baptism	Light and Expressions of Faith	Lent and Easter	Pentecost/creation	Hinduism
	English Drama Club Library	Heroes – biographical writing Myself - autobiographical writing.	Myths and legends	A pot of poetry definitions ballads limericks sonnets narrative poetry	Travel writing and World Book day activities Pre/post 19th century texts.	Group advertising campaign	Shakespeare- A Mid Summers Night's dream
	Drama as part of English SOL						
	Science BAE roadshow	<ul style="list-style-type: none"> Matter Forces Organisms Particle model, Speed, Gravity, Movement	<ul style="list-style-type: none"> Organisms Energy Matter Cells, Energy costs, separating techniques	<ul style="list-style-type: none"> Reactions and electromagnets Acids and alkalis, Metals and non-metals, Potential difference, Current	<ul style="list-style-type: none"> Energy and genes Energy transfer, Variation, Human reproduction	<ul style="list-style-type: none"> Earth and waves Earth structure, Sound, Light	<ul style="list-style-type: none"> Ecosystem and Earth Interdependence, Plant reproduction, Universe
	Food Tech carousel	Introduction to food tech	Knife skills using the hob, using the oven. Weighing and measuring, experimental tasks	Scones, nutritional analysis			
	DT carousel Dt club lunchtimes individual objectives	Development of research Generation of questionnaire linked to ACCESSFM	Generate specification based upon research Generate possible themes for keyring design.	Isometric drawings. Hand eye co-ordination. Patience and resilience. Creativity. Constructive feedback. Responding to feedback.	Be accountable for personal safety in the workshop. Understand the importance of health and safety in the workshop. Develop awareness of procedures that are in place to eliminate risk.	Practical skills-polymer	Evaluation
	Maths	Sequences/algebraic notation, algebra equality and equivalence	Place value Integers and decimals Fraction, decimal and Percentages equivalence	Solving problems with addition, subtraction, multiplication and division	4 operations Directed numbers Addition and subtraction of fractions Constructing Measuring and using geometric notation	Constructing Measuring and using geometric notation Developing geometric reasoning	Developing number sense Sets and probability Prime numbers and proof
	History	What is History?	Norman Conquest	The Middle Ages	The Middle Ages	The Middle Ages	The Middle Ages
	Geography	What is Geography and the UK?	Map skills	Africa, Kenya and basic development	River flooding and map skills	Weather and climate	Plate tectonics-volcanoes
	MFL-French France trip	FR-describing yourselves	School	Technology and free time	Where you live directions	Holidays	Assessment and grammar
	MFL-Spanish Spanish trip Christmas markets	My life	Free time	School	My family and friends	My town and city	Assessment and grammar
	Computing	E Safety	What is a computer?	Programming	Data representation	Data handling	Interactive presentations

	Music carousel! Choir, school band, rock group, summer concert, battle of the bands, Advent service, weekly masses, singing assemblies, variety of instrumental tuition	Elements of Music-keyboard-basic notation 1 and rhythm Instruments of the orchestra-playing techniques and keyboard right hand Musical periods Baroque, Classical, Romantic Singing unison Baseline assessment, plus theory test and practical assessment 1''''	Musical form, binary, ternary and rondo-Elvis Presley-singing Keyboard right hand and 1 finger chords Notation 2 Elvis project assessment plus Love me tender keyboard	Chords and triads-notation 3 Keyboards triad left hand Rhythm recap Notation recap 3 Left hand development 3 finger chords 2 part harmony singing Triad assessment plus EastEnders with triads			
	Art	Baseline assessments Monograms –designing my Monogram: links to Myself (English Club) & MFL	Monograms – Illuminated lettering & medieval Manuscripts. (Link to later work in History Middle Ages).	Texture – understanding how the marks we make create the illusion of visual texture. Shading- dinosaurs & hatching.	Teddytastic – developing use of hatching to render the Teddy in 3-D –pencil & oil pastels.	Printing	Printing
	PE Wide variety of sports Water sports/France/manor adventure residential	Indoor athletics Dance	Handball Basketball	Fitness Badminton	Volleyball skills and games	Athletics Striking and fielding	Athletics Striking and fielding
	PSHE University trips	SMSC-prayer-starting new school, religion and respect, Intro to British Values, bullying, budgeting	SMSC-prayer-starting new school, religion and respect, British Values, bullying, budgeting	Emotional wellbeing, risk and safety, anti-bullying, relaxation	Emotional wellbeing, risk and safety, anti-bullying	Citizenship-Communities and identities	British Values-democracy and being British
	Form Time Year 8	Vocab quizzes	Vocab quizzes Revision assessment weeks	Reading Revision assessment weeks	Reading/vocab quizzes	Academic vocabulary Revision assessment weeks	Academic vocabulary
Year 8	RE	Judaism	Jesus and Christianity	Leadership and discipleship	Forgiveness and reconciliation	Prayer	God
	English	Poetry of conflict and World War one poetry	Classics and Christmas in other cultures	On the move-poetry, fiction and nonfiction from around the world	Noevl-teacher choice	Drama-our day out	Creative writing Lord of the Flies
	Science National Space Academy masterclass Robotics challenge 3D printing Future U sessions BAE roadshow	Forces, matter and organisms	Forces, matter and organisms	Electromagnets, reactions and ecosystems	Reactions and ecosystems	Energy, earth and genes	Waves, earth and genes
	Food Tech carousel	Gelatinisation of starch-sauce making Bread making	Fresh pasta, pastry and cake making-experimental task-what conditions do yeast need to produce carbon dioxide?	Nutritional analysis for a dish using rice, pasta or potatoes			
	DT carousel	Natural and manmade structures Static and dynamic structures Forces acting upon a structure Named parts within a structure Technical terminology	Collaborative bridge making challenge Using existing structures for inspiration. Manufacturing and rationing resources.	Conduct research on existing products. Identification of good and bad points of the product Generate creative thoughts of potential ideas and possible routes.	Design ideas. Develop design ideas using imported silhouettes on 2D Design. Develop Computer Aided Manufacturing skills.	CAD/CAM skills	Manufacturing evaluation
	Maths	Ratio and Scale Multiplicative change Multiplying and dividing fractions	Working in the cartesian plane Collecting and representing data Tables	Brackets, equations and inequalities Sequences and indices	Fractions and percentages Standard form Number sense	Angles in parallel lines and polygons Area of trapezia and circles Line symmetry and reflection	The data handling cycle Measures of location
	History	Tudors	Tudors and the English Civil War	The French Revolution	The French Revolution	Native Americans	Native Americans
	Geography	Coast and map skills	Global issue changes Climate change and the environment	International development-Our unequal world	Climate change and our children Extreme weather	Settlement and Longridge	Key-skills-UK
	MFL-French	Tv, films and books	Paris using past tense	Personality, relationships and style	House, home and food	Talking and about talent and ambition	Assessment and grammar

	MFL-Spanish	My holidays	Technology and my life	Food and drink	Arranging to go out and clothes	Holiday home, summer and directions	Assessment and grammar
	Computing	Website creation using HTML	Data handling	Computers explored	Python basics	Computer networks and the internet	Computers and the law
	Music	Rhythm recap 1 Note values and notation Keyboard first hand position and 1 finger chords 2 part harmony singing Assessment What shall we do and rhythm test	African Music-polyrhythms, notation 2 and note values 2 Ensemble work-djembe Musical elements 2 SMSC-slavery Composition assessment and djembe technique	Blues Music-syncopation/rhythm chords/triads/improvisation-link to African Music-SMSC Ensemble performance Composition Keyboards triad work left hand Singing rounds 12 Bar blues improvisation and practical assessment	Film Music-rondo from-Texas Smith-notation 3 Recap musical form year 7 Composition Composition assessment film music	Fusion Music-GCSE link Rhythm recap Improvisation 2 Musical elements 3 Intervals- music theory Essay assessment	Popular song structure/Britpop music/composition notation 4 Development of keyboard both hands 3 part harmony singing Practical and comp assessment
	Art	WW1 Sunsets -goes with English WW1 POETRY", science end of yr 7 Light.	Tie-Dye T Shirts- fun & excitement	Figure Drawing- proportions of the figure. Figure in action. Drawing from life.	World without Prejudice- Keith Haring. Look at human rights for all & equality: research.	World without Prejudice- Keith Haring. Simplifying the figure. Animating a sequence on paper.	Final outcome World without Prejudice
	PE	Indoor athletics Gymnastics	Handball Football basketball	Fitness Badminton	Volleyball skills and game	Athletics Cricket and rounders	Athletics Cricket and rounders
	PSHE	SMSC-prayer, environment, cyber bullying	Emotional well being-mental health, resilience, citizenship-law and the justice system, criminology	Laws and justice system	Drugs and how they affect people	Liberty and freedom-citizenship, democracy, human rights Technology and privacy, peaceful protesting,	Education and citizenship, mindset and resilience, self-esteem and good mental health
	Form Time year 9	Private reading once week	Private reading once a week	Private reading once a week	Private reading once a week	Private reading once a week	Private reading once a week
Year 9	RE	Prophecy	Journey	Eucharist and CAFOD	Islam	Morality	GCSE course-Sources of Wisdom and Authority
	English	EDUQAS poetry anthology	Literature from other cultures	Journalism project	EDUQAS poetry anthology	Blood Brothers and English literature Anthology	
	Science Robotics challenge Catalyst challenge BAE roadshow	Biology Cell biology and organisation	Biology Cell biology and organisation	Chemistry-atomic structure in the periodic table, bonding, structure and the properties of matter	Chemistry-atomic structure in the periodic table, bonding, structure and the properties of matter	Physics-Energy and electricity	Physics-Energy and electricity
	Food Tech carousel	Raising agents	Swiss role, rough puff pastry	Multicultural cooking and special diets			
	DT carousel	Existing product research ACCESS FM	Orthographic projection of night light	Practical Skills	Practical Skills	Development and modification	3D Design exploration
	Maths	Straight line graphs Forming and solving Equations Testing conjectures	3d shapes Constructions and congruency	Numbers Using percentages Maths and money	Rotation and translation Pythagoras' Theorem	Enlargement and similarity Solving ratio and proportion problems Rates	Rates Solving problems graphs, tables and algebra
	History	Industrial revolution	Industrial revolution	Crime and punishment	First world war	First and second world war	Second world war
	Geography	Ecosystems	Population – UK, China v Kerala, pyramids and DTM Climate change and gender	Tectonics, earthquakes and tsunamis	Glacial landscapes and map skills	Tourism	Topical issues
	MFL-French	Technology and arranging to go out	Health and fitness	Jobs and future plans	Holidays	Human rights	Assessment and grammar
	MFL-Spanish	Opinions and cinema	Jobs and future plans	Health and fitness	Rights and environment	Getting to know the capital	Assessment and grammar
	Computing	Programming and flow charts	Algorithms	Programming with micro:bits	Cyber security	Visual basic programming	Stop Frame Animation

	Music	Variation form-Musical notation Bass and treble clef Composition Baroque period Composition skills	Ground Bass theory and composition Baroque period composers Pachelbel's Canon assessment Notation 2-recap	Rock and Roll-chords and triad work Ensemble work -guitar and drums Rock instruments Musical elements 4 1950's culture Practical and project assessment	Queen- GCSE link Musical elements 5 Extended written-comparison Modern instruments and playing techniques Structure 1 Score analysis 1 HIV-health Essay assessment	Reggae Music-Bob Marley Rhythm recap-syncopation Chords and triad recap Score analysis Drugs-moral issue-SMSC Can't help falling in love assessment	Star wars-GCSE link Extended written-comparison Film music recap Structure 2 Musical elements recap Score analysis 2 Essay assessment
	Art	Posterization & Warhol 1950's post war consumer society. Rise & influence of advertising	Pop art Laudato Si Painting civil rights & James Rosenquist " Fits with Ecosystems (Geog) + Laws and justice system Liberty and freedom-citizenship, democracy, human rights (Citizenship/PSHE)	Pop Art- Laudato Si Painting The Cold war/ Nuclear arms race & James Rosenquist "F1-11" Blue Planet Pollution & plastics Drugs pollution.	Pop Art- Laudato Si Painting Composition skills. Drawing in pencil & pen. Rendering in 3-D- oil pastels, paint, pencil crayon. Blending, backgrounds & Contrasting colours.	WW1 multimedia assemblage First world war -goes with History "first & second world war" + propaganda posters.	WW1 multimedia assemblage Using watercolours to render delicate poppies Paint to render in 3-D Drawing the figure- rendering in paint & pencil crayon. Developing drawing skills in pencil & in pen. Use of collage.
	PE	Netball/football Badminton	Football/basketball Table tennis	Fitness theory	Handball Volleyball	Athletics Rounders and cricket	Athletics Rounders and cricket
	PSHE	Sam Tyrer-Time Talks sessions Resilience, wellbeing, mental health, self-harming, suicide, relaxation and support	Sam Tyrer-Time Talks sessions Resilience, wellbeing, mental health, self-harming, suicide, relaxation and support	5 hour enhancement day-spring term Drugs, smoking, alcohol British value-rule of Law		5 hour RSE day-summer term Sexting, relationships, fertility, contraception
