

Remote Learning Provision September 2021

Department/Subject	Blended Learning	Provision of Teams (live) Lessons Per Week/Fortnight
Art	A series of sequenced lesson activities and resources are uploaded to EduLink relative to a pupil's timetable. Pre-recorded and live lessons will take place via Microsoft Teams to provide a broad and balanced curriculum experience.	The majority of lessons will be of a blended approach. The start/end of the lesson will be live, allowing pupils to work independently. Pupils will be able to come back into the teams chat if they need any specific help with their task. KS3 1 lesson per week KS4 2-5 lessons per week
Computer Science	All work set on Edulink for KS3 and KS4 KS3 Live lessons or recorded lessons from Oak Academy (using materials from NCCE) with work submitted through Teams or via Edulink. KS4 Teaching through material on Teach-ICT site (paid resource), some work on Oak Academy and live lessons. Assessment using Teams Class Notebook work or assignments For absences involving only one or two students there are no plans to run a live lesson alongside the teaching in class. It is only practicable if a much larger number are missing because of the impact of learners present in school.	KS3 Aiming for all live lessons KS4 One live lesson in week 2 Two live lessons in week 1 Reviewing work done over previous one or two lessons and introducing new work.
English	Best choice from a range of pre-recorded lessons (BBC Bitesize, Oak Academy, Pearson Education), producing and narrating our own PowerPoints, Quizlet Live, text-based activities (questions on PP or Word, pupils write their responses and submit on SMH). Different pre-recorded allocated to the pupils in the same class to differentiate (10J for example)	KS3 Minimum of one hour per week, per class. KS4 Minimum of one hour per week, per class.
Geography	Mixture of lessons and resources uploaded to Edulink and pre-recorded lessons as well as live lessons. GCSE lessons also have access to CGP revision guides, Seneca learning as well as Edulink	KS3 Live lessons will be based around teacher explanation of previous learning and discussion of new topic. Aim for 1 per fortnight.

	We will also be evaluating the benefit of Oak Academy lessons within our curriculum	KS4 lessons will be based around exam questions, will start with a walk-through past paper question, pupils then to complete a similar question for submitting for marking/assessment evidence. Aim 1 per week
History	Mixture of lessons and resources uploaded to Edulink and pre-recorded lessons as well as live lessons. No external provider (e.g. The EverLearner) as of yet.	KS3 Minimum 1 per fortnight for KS3 classes KS4 minimum 3 per fortnight for classes, depending on the class, numbers absent and length of absence.
Maths	Mixture of lessons and resources uploaded to Edulink and pre-recorded lessons via White rose Maths, Oak academy and use of mymaths.	KS3 Minimum 1 per fortnight for KS3 classes KS4 Minimum 1 per fortnight for KS4 classes. We are using electronic whiteboards to demo and model
Modern Foreign Languages	Pre-recorded or live lesson (one per week), use of Edulink for consolidation lessons.	KS3 1 live lesson per week KS4 minimum 1 live lesson per week
Music	Use of Focus on Sound for all year groups. Customized content from FoS provides interactive and in-depth work for all year groups, including KS4 specific to their syllabus. Some video lessons from Oak academy for Y7/8	KS4 Fortnightly KS4 lessons for content pertaining to the Listening component of the GCSE (40% of the overall mark)

Physical Education	<p>KS3 Choice of active mile, fitness video or circuit. 1 live lesson per week with the pupils. (Video) Theory tasks set on Edulink eg. Feedback and areas to develop. GCSE - mixture of tasks using resources on Edulink and EverLearner.</p> <p>KS4 Choice of active mile, fitness video or circuit. Theory tasks set on Edulink eg. Feedback and areas to develop.</p>	KS4 At least one live lesson per week for GCSE.
---------------------------	---	---

PSHE	Pupils in all classes have weekly wellbeing check ins with form tutors. This is to check that pupils are well and coping with the current situation. It is also a way of checking workload with pupils. Citizenship lessons from the Oak Academy are being uploaded for pupils to access more interactive lessons.	
Religious Education	<p>KS3 Mixture of pre-recorded lessons via Oak Academy or RE ppts with audio feedback, as well as live lessons on Teams.</p> <p>KS4 Same as above and class notebook integration</p>	Min of once a fortnight for all classes.
Science	<p>Y7 & Y8 Combination of Edulink and live lessons.</p> <p>Y9 Combination of Oak Academy, Edulink and live lessons</p> <p>Y10 & Y11 Combination of Oak Academy, BBC Bitesize, Edulink and Teams revision activities and exam questions</p>	<p>KS3 Y7 & Y8 1 live lesson per week (out of 3) Y9 Varies but min of 1 per week (out of 3)</p> <p>KS4 Y10 & Y11 aiming for 1 live per week for each subject (3 out of 6)</p>
Technology	Mixture of lessons and resources uploaded to Teams, pre-recorded and live lessons as required. Use of PG Online for DT, a purchased resource for use with KS3 & 4 lessons. These include power points, video links, worksheets, homework sheets and answer sheets uploaded to Edulink.	1 lesson per class per week.
Food	Mixture of lessons and resources uploaded Edulink using the following: Booklet work, BBC Bitesize, BBC Programs – iplayer, Food A Fact of Life, Seneca learning and The Nutrition program.	1 live lesson for Year 10
